

LORD ANTHONY S. AYA-AY

Poblacion, Kananga, Leyte | (+63) 915 577 7218 | lordanthony098@gmail.com | <https://lordanthony.vercel.app>

I have hands-on experience in IT support, data management, and software testing from both office-based and remote roles. I've worked on troubleshooting technical issues, handling data accurately, and supporting daily operations in real environments. I also have experience with manual testing and basic automation tools, and I'm continuously improving my skills to take on more technical responsibilities.

PROFESSIONAL EXPERIENCE

Data and IT Support, Kananga Municipal Health Office - Kananga, Leyte Sept 2025 - May 2026

- Managed and encoded patient information in digital systems, ensuring accuracy, data integrity, and strict confidentiality
- Provided technical support to healthcare staff, troubleshooting computer and printer issues to maintain workflow efficiency
- Designed visual materials to support communication and documentation needs within the facility
- Developed a web-based Patient Look-up & Management System to streamline patient data management and improve overall operational processes

Intern Junior Software QA, Yenprovement - Remote Jun 2025 - Aug 2025

- Executed manual test cases for real-world applications, identifying bugs and documenting issues
